

Pete's Treasure Map

Yar! There's plenty of adventure to be had with a treasure map! All's ye need to do is follow the instructions. For a treasure map party, invite all yer mateys over for a fun-filled time of counting out paces and steps to buried treasure!

Instructions:

What you need:

a small item or prize to bury

Paper

Crayons or pencil

1) Bury or hide a small item. You can bury or hide an item in your yard, house, or bedroom. Make sure nobody is watching! This is secret treasure, remember?

2) Print out "Pete's Treasure Map". To make the map look like a real pirate's map, tear around the edges of the map, then crumple it up until it's gnarly and wrinkled.

3) On the map, show how to travel from a starting point (such as the back door) to the buried treasure. For instance, you might write, "walk 7 steps from the back door then turn right at the dog house."

4) Happy treasure hunting!

For extra fun, wear your pirate hat or sea-fairy crown.!
